## Blessings of the Redner's Save-A-Tape Program

Service to Others would like to thank the members of COL for your faithfulness in submitting your Redner's Save-A-Tapes. Together you have been able to realize funds of \$266.09 to help with the cost of the Thanksgiving Baskets for this year.

Each year the amount from this program has increased to help us brighten the

Thanksgiving holiday for those with special needs.

It's easy to participate -- just asks the checkout clerk for a card for the Save-A-Tape program. (The clerk will activate the card; no need to sign anything.) Then, simply present the card to the checkout person before your order is processed. (A Save-A-Tape message will appear on the register tape.) Bring your tapes to church and place them in the black mailbox attached to the welcome table on the right as you enter the church. The clerk will gladly print a duplicate receipt upon request if you need one for your records. (This is a year-round program so we are already starting to save for next year.)

**AN ADDED BONUS FOR YOU** - For each \$100 in purchases you will receive credit for .10/ gal savings off a gallon of gas (up to 20 gals.) at the A-Plus Sunoco near the cross roads of Rt. 10 and Rt 1 bypass. Please contact Linda Hettinger at 484-880-9740 if you have any questions regarding this win-win program.

Thanks to all of you for your participation in the program, which has helped COL to Share God's Abundant Love with many in our community.

## COL Night at the Wilmington Blue Rocks

On Saturday August 22<sup>nd</sup>, a bunch of us attended a minor league baseball game at Frawley Stadium in Wilmington. The weather was perfect, our group had lots of fun, but unfortunately the Rocks fell to the Salem Red Sox; final score was Salem 4, Rocks 3. All in all it was a great night of baseball (Tina Sauk was treated to several Mr. Celery sightings!) highlighted by the Star Wars theme; even the Blue Rocks donned “Chewbacca” inspired jerseys!
